• PPD Learning – our world-wide reputation for standards and quality.

We've been providing leading-edge training at Masters level and beyond, for over 20 years in the UK, giving our clients the latest, most powerful developments in the field year on year.

We're world experts in designing and producing an ~~evolutionary~~and sophisticated training to develop your NLP skills to whole new levels of application and integration . so you are truly ~~walking~~ your talk

• Why learn Advanced NLP?

In this unique programme you will learn generative, systemic models for transformational change.

You'll be able to solve tough problems in your organisation, in your team, in training and coaching and other professional contexts . working from more deeply integrated NLP principles and skills.

And of course you'll benefit personally through enhanced relationships, creativity, quality choices in performance - and a renewed joy and love of life!

- **What's so special about this programme?**

Our training team of **Judith Lowe, Charles Faulkner, Judith DeLozier** and special guest **Robert Dilts** is just about the most innovative, world-class NLP line-up you'll ever get the chance to experience!

You get the *real* fast-track effect. There's so much material at this level we could easily be offering a 100 day training. This is your 20 intensive days of the 80:20 success ratio.

It's important to learn your NLP deeply and wisely - like any other complex skills set.

Through training one module a month over a six month period you'll integrate your learning into all the contexts in your life - where it matters.

You'll also learn practical, applied NLP modelling - the accelerated learning pathway for best practice.

You'll also get personal *live* and monthly email coaching from our team of coaching assistants.

As a mentor to our NLP institute since the mid 80s, John Grinder co-signs our Masters' certificates.

- **Choose on the value to you of what you actually get for your time and money!**

Be challenged and inspired by truly dedicated, expert teachers over 6 months - getting the results you really want in your life, making the changes you dream of

- **It's the advanced training for you... in a friendly and stimulating group.**

Every year we welcome our own PPDL Practitioners as well as those from other *full* Practitioner trainings in the UK and abroad. You can also join us if you already have a Masters certificate and want to deepen your knowledge and practice of NLP on this uniquely rich and multi-level programme.

We hope you'll join us - for this profound and transformational adventure in learning and living.

Looking forward to seeing you in October,

Best wishes,

MD, Principal Trainer
