"The PPD Learning NLP Master Practitioner programme gave me the tools, perspective and developing wisdom to understand and address classes of real world business and interpersonal problems that had previously seemed intractable. A profound, balanced, companionable exploration from the deepest roots to the treetops of NLP — guided with wit and charm by the very best in the business. Fantastic... thanks PPD."

Martin Crossley, Senior Manager, Orange

Excellence in NLP since 1987

NLP Practitioner

We offer you quality leading-edge NLP, a world class line-up of trainers, programmes designed for your success, individual coaching and support, and powerful results in your personal and professional life. Our certificates are signed by John Grinder, the co-founder of the field.

"The quality of this training programme rests on Judith's excellent teaching skills and demonstration of 'integrated' NLP"

NLP Practitioner

- ◆ Create and fulfil your personal and professional goals
- ◆ Learn the skills and behaviours of successful people
- ◆ Explore and enhance your emotional intelligence
- ◆ Communicate powerfully and sensitively
- ◆ Enjoy relating to others more. Deal with 'difficult' people effectively
- ◆ Acquire elegant and sophisticated ways of problem solving
- ◆ Take your coaching and leadership skills to new levels of excellence and influence
- ◆ Learn experientially in an accelerated learning framework

Coaching with NLP — How to be a Master Coach

This seminar, based on Joseph's accessible and inspiring book, gives you the tools, as a coach, to develop people to achieve their best results through sustained high quality performance.

Joseph O'Connor is a well-known and popular international trainer and author of nearly 20 books on NLP translated into many languages.

Date: 10 to 12 June
Price: £360 (plus VAT)

The Artistry of Change — for Personal and Organisational Transformation

Discover the hidden powerful principles of 'harmony, balance and beauty' in resolving complex problems in practical ways. You'll learn how to apply your NLP in new ways — to get great results in your personal and professional goals.

Robert Dilts is one of the most influential and dynamic leaders in the field of NLP today. This seminar is drawn from some of his latest research into the patterns of genius.

Date: 3 to 5 March 2006
Price: £410 (plus VAT)
