

DISCOVER NLP – One Day Introduction Course

What will this course do for you?

- “ You will discover why NLP is becoming the must-have skill set for professionals.
- “ You will find out how practical and results-focused NLP is, as you experience for yourself, new, breakthrough ways of thinking and behaving.
- “ You will have a fun, lively day of learning and achievement . with lots of insights and new tools to take away and apply.

What will the course cover?

- “ There will be a mix of activities, demonstrations, an introduction to key NLP models of change and an opportunity for questions.
- “ You will learn some NLP background and about NLP success modelling and coaching - and about using your NLP with integrity.
- “ You will also learn some approaches to goal-setting, personal values, relationships, behavioural flexibility, reframing emotional self-management and more

What else is special about the day?

- “ You will get the chance to experience one of the field's top international trainers *and* find out more about the unique, world-class NLP training at PPD Learning.
